

Plate compactor TP65

Ideal for sand, gravel and mixer soils in narrow trenches and along foundations, walls and abutments.

Features :

- Solid, high strength steel base plate with curved edges provides top performance
- Robust design sealed belt cover for Clutch and Belt protection
- Self cleaning open base plate minimizes dirt and rock build up
- Anti vibration removable flip over handle for easy transportation
- Optional transport wheel for easy transportation around sites.
- Optional water tank for asphalt use
- Optional Rubber mat for paving is available

Technical Specification :

Engine Type:	Honda GX 160
Power kw (hp):	4.0 (5.5)
Weight kg (lb):	85 (143)
Vibration Frequency - vpm (hz):	5400 (90)
Centrifugal Force kN:	10
Travel Speed - M / min(ft / min):	22 (72)
Plate Size L x W cm (in) :	49 x 34 (19 x 13)
Dimension cm (in):	70 x 41 x 59
