

Plate compactor TP85

Compact and latest design in plate compactor, suitable for most of compaction work, even brick paving compaction, hot and cold asphalt, when fitted with optional water sprinkler system

Features :

- Solid, high strength steel base plate with curved edges provides top performance
- Robust design sealed belt cover for Clutch and Belt protection
- Self cleaning open base plate minimizes dirt and rock build up
- Anti vibration removable flip over handle for easy transportation
- Optional transport wheel for easy transportation around sites.
- Optional water tank for asphalt use
- Optional Rubber mat for paving is available

Technical Specification :

Engine Type:	Honda GX 160
Power kw (hp):	4.0 (5.5)
Weight kg (lb):	85 (187)
Vibration Frequency - vpm (hz):	5400 (90)
Centrifugal Force kN:	12
Travel Speed - M / min(ft / min):	22 (72)
Plate Size L x W cm (in) :	55 x 41 (22 x 16)
Dimension cm (in):	80 x 41 x 59
